Luke Gamertsfelder

Education

Bachelor of Computer Science   2022 - Expected Fall 2026
Angelo State University, San Angelo, Texas

Research Interests

Seeking to apply knowledge of intrusion detection, incident response, and network protocols to ensure the security of communication networks and see how they can be improved.

Relevant Courses

- **Computer Science 1 & 2**
  - Built fundamental concepts and how to correctly apply them in programs.
- **Data Structures and Algorithms**
  - Worked with different data types and sorting algorithms, improving the running time of programs.
- **Computer Networking**
  - Developed networking skills in a hands-on, lab-based class.
- **Operating Systems**
  - Studied the processes, order, and speed of different operating systems.

Honors & Awards

Academic Scholarship, Angelo State University   2022
Academic Scholarship, University of Texas Permian Basin   2020
